SECTION Samy

FILE No. 68798

SUB No. 1

to effect such an improvement certain houses or vacant sites have to be acquired under the Land Acquisition Act; but as the system of acquisition will take a long time, I would recommend that Regulation V of A. published under the Government Notification No 723 Dated 23rd December 1898 may with advantage be made applicable to the town of Channapatna which is one of the biggest towns in the Province.

I have the honor to be,
Sir,
Your most obedient Servant,

Deputy Commissioner,
Bangalore Dist.

Moreover, it in no way empowers the acquisition of sites on which the houses demolished under it are situated as the Regulations now stand. Such sites have to be acquired in the usual way under the Land Acquisition Act and it follows therefore that in assessing the Value of the houses so demolished the Value of the sites would form no matter for Consideration

It is feared from the
tenor of the Dy Comrs
two letters under reply
that he may have been
under some misconception
on this point and may
have irregularly acquired
Sites under this Regulation.
If such be the case, it
is requested that he will
at once take steps to
make such acquisition
legal by acquiring
them without delay
under the Land Acquisition
Act.
